

CRITICALCONTROL ANNOUNCES \$2.34 MILLION PRIVATE PLACEMENT

CALGARY, AB, June 25, 2010 – CriticalControl Solutions Corp., (TSX: CCZ) (“CriticalControl” or the “Corporation”) announces that it intends to complete a non-brokered private placement for gross proceeds of \$2.34 million consisting of 3.9 million shares at \$0.60 per share. The Corporation will pay cash fees to third party brokers facilitating the private placement up to 6% of the gross proceeds. Closing of the private placement is subject to customary closing conditions and regulatory approval, including approval from the Toronto Stock Exchange and is expected to close within the next 14 days.

“This private placement is intended to facilitate longer term institutional ownership of our stock,” said Alykhan Mamdani. “The proceeds from this private placement will enable CriticalControl to continue its acquisition strategy while paying down our existing acquisition related debt from operations.”

About CriticalControl:

CriticalControl enables its clients to increase operational performance through the better control of critical business information. Integrating technology with labour intensive processes of imaging and data entry, CriticalControl empowers its clients to increase their competitiveness, reduce operating expenses and improve margins. Forward-Looking Information:

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information is often, but not always, identified by the use of words such as "anticipate", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "expect", "may", "will", "project", "should" or similar words suggesting future outcomes. In particular, this press release contains forward-looking information relating to the expected closing date of the private placement and the anticipated use of proceeds from the private placement. This forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the closing date of the private placement and the use of proceeds to be materially different from those expressed or implied herein, including but not limited to: risks related to capital markets, general economic conditions, legislative and regulatory developments, and the regulatory approval process for the private placement, as well as those factors discussed in the Corporation's documents filed on SEDAR (www.sedar.com).

Although the Corporation has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated. Accordingly, readers should not place undue reliance on forward-looking statements. The Corporation does not undertake to update any forward-looking statements that are contained herein, except in accordance with applicable securities laws. Further information on the Corporation is available at www.sedar.com.
